

# **IT'S BACK**

## **Save a Back**

### **Buy a Bed Program**

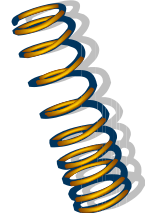

On an Off Season camping trip to Custaloga Town Scout reservation have any of the following things happened to you?

Did you have to tie the bed springs together to keep from falling on the floor?

Did you bring cardboard or plywood to camp so that your sleeping bag would not get ripped?

Did you wake up in the middle of the night to find animals surrounding your bed because they can't sleep due to excessive squeaking of mattress springs and whining from yourself about how uncomfortable you are?

Did you schedule a visit to your Doctor or Chiropractor after you completed the tour permit to use Custaloga Town?

**If any of these things have happened to you then its time to take action against some of these evil sleeping features called beds.**

**Your contribution of only \$13.00 will provide hours of peace and quiet for you and the CTSRWAS (Custaloga Town Scout Reservation Wild Animals Society)**

Every bed that you purchase will include a one of a kind piece of masking tape with your hand written name on it signifying your contribution.

Only 38 beds are available so you must act now before this offer is gone.

As a bonus... for a donation of \$26 we will include a second cot and another opportunity to tape your name to it. (Your name does not reserve the cot for you but the tape will be handy when looking for a way to hang things from the cot)

**Used Metal frame military cots can be purchased for \$13.00 (yes the cost went up but they are still worth the price) for the French Creek Council. We hope that you can help out if you have a few extra dollars in you pocket.**

**Please send your donation to French Creek Council, 1815 Robison Road West, Erie, PA 16509.**

Thank you for your continued support of Custaloga Town Scout Reservation.
