

SPREAD THE GOOD NEWS MEDIA AWARD

Help spread the word about the good things your unit is doing in our community. It's simple! Follow the steps outlined in the Unit Positive Publicity Book! Once your unit has been in the news 12 times we'll send you an attractive, colorful ribbon for your flag. Simply fill out the form below and include newspaper clippings (with newspaper name and date), and the TV or radio stations (include dates and times and a tape, if possible) to the Council Service Center, attention: Brad Parola, 1815 Robison Road West, Erie, PA 16509. Photos and TV spots count as two items. Once we receive the information we will forward your Media award to your unit. When possible, the award will be presented to a Unit representative at a District function.
